The latest film from the award-winning Kinky Kiwi David Blyth

Transfigured Nights

Description:

“Transfigured Nights” takes us into the cyber-homes of a variety of men worldwide who show their extreme sexually-charged online masked personas...

From the rubber-encased, gas-masked MORE RUBBER PLEASE SIR, to the extreme 7-layered, gigantic boobed and bound HOG-TIED, to the hypnotic Kigurumi dolling of MICHIKO, to the forbidden and haunting, berka-attired DEEBA and the hysterically happy ex-Vietnam vet goodtime-gal, MISS PIGGY who wears pig masks, cocktail frocks and twirls topless around her home.

“Transfigured Nights” is the definitive documentary that explores the wildly perverse, fetishistic pleasures of web cam mask performance.

Long before Peter Jackson launched his career with splat-horror films David Blyth had a reputation in the genre and a huge cult following. His features “Death Warmed Up” and “Angel Mine” brought him to the attention of Hollywood where he has gone on to direct “Exposure”, “Red Blooded American Girl I & II”, “Grampire” and “The Horror Show”. In addition, he has directed numerous episodes of “Mighty Morphin Power Rangers” and “White Fang”. His most recent film was the acclaimed expose of the New Zealand BDSM scene, “Bound For Pleasure”, which received a US theatrical release after its world premiere at the Melbourne International Film Festival.

Running Time: 48 mins.

Hargrove Entertainment is an international distribution and production company supplying programming to the theatrical, television, video, educational and new media markets worldwide.
